

# THESIS PROOFREADING AND FORMATTING

IF YOU ARE WORKING TOWARDS SUBMITTING YOUR THESIS

OR

IF YOU ARE NEARLY READY TO SUBMIT YOUR THESIS

*WE WILL HELP!*

## PROOFREADING

We check: spelling, grammar, punctuation, hyphen use and typos; hedging, split infinitives, tautologies and tense; sentence construction, logical sequencing, repetitions, clarity and incomplete or over-complicated sentences; and, calculations where possible.

We write a detailed report with editorial, proofreading, referencing and formatting comments.

## FORMATTING

We format theses to your university's thesis submission guidelines, for print or web publication.
